

HELP SAVE LIVES BY DONATING!

Lauren Seavy (Physician Assistant in West Orange) will be walking 39 miles in NYC in order to help fight breast cancer! She needs your help in raising money to support the cause. She is walking in honor of the brave people that are battling breast cancer everyday and in memory of the ones that have lost the fight. Please donate to help make a difference!

No donation is too small....every little bit helps!

THANK YOU!!!

To donate, you can either write a check payable to:
“**Avon Walk For Breast Cancer**” and give it to Lauren Seavy or pay by credit card through a secure website:

If you would like to donate in honor or memory of a loved one, please give Lauren the name of the person. She will wear a t-shirt with all names on the day of the walk.

Lauren can be reached at (973)232-6787 or at LTwombly@gmail.com
